Ok thank you Vickie,
So he was granted an extension until March 20th. Our role/Loretta's role would be to encourage his timely appeal or withdrawal.

Dr. Chadwell,
Yes, he met with Anthony this morning he understands he is dismissed; he gave him an extension beyond the 10 business days (March 13th); I will say to March 20th to submit his appeal or withdraw; and he should still meet with Loretta. Per Dr. Baker, although he met with Anthony, he is prolonging the process and final decision.

If he is going to appeal, Loretta should encourage him to submit his appeal asap. Let me know if this makes sense.

Hi Vickie,

You mentioned Anthony met with Dr. Baker today – Loretta has a meeting with him tomorrow afternoon. Can we get an update before she meets with him to know how to approach that? Also, is Dr. Baker available to meet tomorrow morning (Tuesday reschedule)?

Thanks
